OUR CLIENTS SAYS

The EdusoftERP system for the school done by the SIGNUM is very facilitative and useful. The entire school network comes under one roof. The communication is very immediate and reaches quickly, it can be subject specific, class specific and student specific. It has everything a school needs like areas in administration, fee collection, date of students parents and staff, academic area like provision for lesson planning, assignment uploads as well as class work

Ravindra Singh
CEO

Swami Vivekanand High School, Mumbai

This is to certify that the "EdusoftERP": educational application introduced by M/S Signum ITechnology Pvt. Ltd. is really based on the latest technology which is very useful for the day to day activities and administration of the school. This software has brought down the work load of our staff beyond the limit. His sincere day to day service extended to our school is really appreciated. I wish him all the best of good luck for his bright future.

Simson Kochan
Principal
Holy Angel High School, Mumbai

"Our College is using complete EdusoftERP features provided by Signum ITechnology. The software was developed as per our requirement, Staff of Signum ITechnology are helpful and attend to us as and whenever we need their help. We are satisfied with the installed modules till date."

Rajkumar Mishra
Chairman

Shri G.P.M Degree College, Mumbai

"Our school has been using the "School Management Solution" of EdusoftERP developed by Signum Itechnology Pvt. Ltd., Mumbai since the inception of the school in 2015. We are satisfied with the prompt service and support we receive from the SIGNUM team. We wish them all the best." "I wish Purna Chandra Muni and his tam good luck"

Sujeet Rajan
Principal
Bharatmata High School, Mumbai

"Our College is using the EdusoftERP for over two years & have been very happy with the software, the training and the support system. The software was developed as per our requirement. The EdusoftERP system for the college done by SIGNUM is very facilitative & useful. Our college is using complete EdusoftERP features provided by Signum ITechnology. We highly recommend the software to other colleges.
